

Team Barrel Race **at the finals** is a competitive but fun way for ladies to get better acquainted with other barrel racers and a chance for each lady on the "winning team" to win a buckle.

Team Barrel Race Rules:

- 1) All barrel age groups included: 40/50/60/70 - **Positions will be drawn**
- 2) No additional run will be made and there is no additional entry fee.
- 3) The teams will be the top 10 ladies; 1 from each age group making 10 teams of 4 ladies (1 - 40, 50, 60 & 70). *****See Below**
- 4) Four ladies per team.
- 5) Ten teams total.
- 6) Teams will be drawn & posted by the office on Friday afternoon **around 4:00pm.**
- 7) Friday evening, by the restaurant, we will have an Introduction of the Team Barrel Racers. If you are on a Team, it is Mandatory you be there.
- 8) The team members times will be taken from each team members run "at the short go" on Saturday and added together.
- 9) Team buckles will be presented by your Barrel Directors at the Banquet.
- 10) Any questions or concerns should be discussed with your Barrel Racing Directors

******* A signup sheet will be posted on the wall next to the results and points postings. In the event that we do not have enough ladies to fill an age group to complete a team, we will take the names listed on the signup sheet; draw a name(s) from these barrel racers who entered the finals but did not make the top ten & who want to make 1 run on Saturday (this will be for a chance to win a team buckle only - no entry fee, no points & no money to be won).
